The Handbook of Horsemanship Steel Dust
About the Publisher
Steel Dust/ Lizzy McNett
2009 People Doing Business Series Woman On The Move Snapshot
Written by Aubrey Williams

Lizzy McNett holds a Bachelor of Arts degree in Fine Arts and is the author and publisher of thirty-nine books! Her most recent masterpiece entitled “The Hourglass of el Diablo” is the latest book to be added to her repertoire - a collection of writings for equestrian enthusiasts, children and women! And although her catalog comprises a multitude of topics, it is her books regarding Domestic Abuse, “Purposed Survivor” that are most compelling. http://purposedsurvivor.org
It may be apparent to some that 'Steel Dust' is a pen name and for most, seem insignificant; however, in this case, why she uses it, is of the utmost importance, as it sheds light into a despairing and perpetual problem. Once, a victim of domestic violence; 'Steel Dust' writes under a pen name in order to protect her and her son's identity, which is why their current city of residence and other specifics have been withheld. She states that “Ten years ago after an enormous conflict with my ex-husband, the Lord drew me to church, until then I was never really a faith filled person. I believed in God, but I did not know my relationship with him. That night changed my life. I can write now like I do, because of the Lord. He has shown me the world living in His Word alone, not mans.”
Lizzy began writing in 2007 and in May of 2009 began her own company, Empower Life Publishing. Reaching far beyond publishing, Lizzy flourishes in journalism. Her foremost goal in writing and in creating Empower Life Publishing is to empower the reader and remind us of our objective; Live on Purpose. “The true reason I was guided to use the pen and write, was to touch the lives of those directed into my path and help lead them into greatness” she states.
“We Bring Restoration to Ourselves, when we share the message of Hope with Others.”
“Do you have a story that needs to be written on paper, but the inspiration to write that story is locked away in the diary of your mind? Please contact us, and see how we can guide you along your path. The world we live in can sometimes sour the true visions of our lives, and the source in which it comes from. When this happens, the person you were meant to be cannot come forth. Do not allow the idea that becoming an author, entrepreneur, or successful individual is a reality for someone else! It is time to make that reality come true for you, success must start from within.” – Lizzy McNett- Empower Life Publishing.
