Beyond the Horizon

Lori Arnold had never been drawn to those guys that would finish last. She liked that bad boy quality, but she didn't know that her particular fetish would lead her to Jeff. She'd always been the outdoorsy type and that translates into annual outings by herself with only nature, as her companion. She meets up with what she thinks is an animal, but instead turns out to be Jeff. They have a momentary lapse of judgment, falling into each other's arms, until he finds a way out of the motorcycle club the Devils by joining the military. 5 years later and he returns to find that Lori is being harassed by the leader of the club that he had left behind. He wants to rekindle what they had, but he has secrets about the real reason why he stays with the Devils. What will happen when his secrets come to light and he has no choice, but to drag Lori along for the ride?
