Where Children Sleep

Where Children Sleep
Where Children Sleep presents English-born photographer James Mollison's (born 1973) large-format photographs of children's bedrooms around the world--from the US, Mexico, Brazil, England, Italy, Israel and the West Bank, Kenya, Senegal, Lesotho, Nepal, China and India--alongside portraits of the children themselves. Each pair of photographs is accompanied by an extended caption that tells the story of each child: Kaya in Tokyo, whose proud mother spends $1,000 a month on her dresses; Bilal the Bedouin shepherd boy, who sleeps outdoors with his father's herd of goats; the Nepali girl Indira, who has worked in a granite quarry since she was three; and Ankhohxet, the Kraho boy who sleeps on the floor of a hut deep in the Amazon jungle. Photographed over two years with the support of Save the Children (Italy), *Where Children Sleep* is both a serious photo-essay for an adult audience, and also an educational book that engages children themselves in the lives of other children around the world. Its cover features a child's mobile printed in glow-in-the-dark ink.

To help you see the represented of the world on this book.

Herman Jenkins:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Where Children Sleep can make you truly feel more interested to read.
