Making All Things New: Inaugurated Eschatology for the Life of the Church Benjamin L. Gladd, Matthew S. Harmon
Many people think eschatology refers to events occurring at the end of history. In this book, two scholars with expertise in biblical eschatology argue that God's kingdom breaking into this world through Jesus Christ has inaugurated a new creation, a reality that should shape pastoral leadership and be reflected in the life and ministry of the church. Brief and accessibly written, this book articulates the practical implications of G. K. Beale's *New Testament Biblical Theology* and features an introductory chapter by Beale. Each chapter concludes with practical suggestions and a list of books for further study.
