Right Thinking in a World Gone Wrong: A Biblical Response to Todays Most Controversial Issues by John MacArthur (Feb 1 2009) aa
One of the greatest challenges facing Christians today is the powerful influence of secular thinking. From all directions we're fed a constant barrage of persuasive-yet unbiblical-worldviews. This makes it difficult to know where to stand on today's most talked-about issues. The leadership team at Grace Community Church, along with their pastor, John MacArthur, provide much-needed discernment and clarity in the midst of rampant confusion. Using the Bible as the foundation, you'll learn how to develop a Christian perspective on key issues-including: political activism, environmentalism, environmentalism, homosexual marriage, abortion, birth control, and surrogacy, euthanasia and suicide, disasters and epidemics, immigration, God and the problem of evil... Also included is a topical reference guide of Bible verses that address key concerns-a guide that will arm you with right thinking and biblical answers to challenging questions.
