Youthful Preaching: Strengthening the Relationship between Youth, Adults, and Preaching (Lloyd John Ogilvie Institute of Preaching) Richard W. Voelz
What if adolescents aren't bored with preaching? What if they have and are interacting with preaching in complex, various ways that have escaped the attention of adult listeners and preachers? What if their own preaching informed the ways adults think about Christian faith and theories/practices of preaching? While much recent discussion in preaching revolves around underrepresented groups, the relationship between adolescent youth and preaching remains largely unexplored. Youthful Preaching brings youth into contemporary conversations about preaching by listening to their voices and by advocating for communities of faith and practice to seek ways to reimagine, renew, and strengthen the relationships between youth, adults, and preaching.
