Exploring the Unknown - Selected Documents in the History of the U.S. Civil Space Program Volume I: Organizing for Exploration (Volume 1) John M Logsdon, Linda J Lear, Jannelle Warren-Findley, Ray A Williamson, Dwayne A Day

A selection of key documents in the history of the U.S. civil space program is presented. This volume deals with organizational developments of the space program. More than 200 documents are printed. Each is introduced by a headnote providing context, bibliographical information, and background information necessary to understanding the document. These are organized into four major sections, each beginning with an introductory essay that keys the documents to major events in the history of the space program. The NASA History Series. NASA SP 4407.
