Søren Kierkegaard

Soren Kierkegaard's Journals and Notebooks, Vol. 2: Journals EE-KK Søren Kierkegaard

Søren Kierkegaard (1813-55) published an extraordinary number of works during his lifetime, but he left behind nearly as much unpublished writing, most of which consists of what are called his "journals and notebooks."

Volume 2 of this 11-volume edition of *Kierkegaard's Journals and Notebooks* includes materials from 1836 to 1846, a period that takes Kierkegaard from his student days to the peak of his activity as an author. In addition to containing hundreds of Kierkegaard's reflections on philosophy, theology, literature, and his own personal life, these journals are the seedbed of many ideas and passages that later surfaced in *Either/Or*, *Repetition*, *Fear and Trembling*, *Philosophical Fragments*, *The Concept of Anxiety*, *Stages on Life's Way*, *Concluding Unscientific Postscript*, and a number of *Edifying Discourses*.
