Surveillance (A Chris Bruen Novel) Reece Hirsch

When former computer-crimes prosecutor Chris Bruen and retired hacktivist Zoey Doucet open their San Francisco law firm, it’s the best day of their professional lives. That is, until their first client walks through the door.

Ian Ayres is an “ethical hacker” who was hired by a company to test the security of its online systems. On the job, he uncovered some highly classified information: the existence of a top-secret government surveillance agency and its Skeleton Key, a program that can break any form of encryption. Now Ayres is on the run. And after government agents descend on Chris and Zoey’s office during their potential client’s visit—killing two employees—they, too, are forced to flee for their lives.

From California to Ecuador to Mexico, the trio must try to evade a hired assassin, a bloodthirsty drug cartel, and their own government. But how can they escape an adversary that can access every phone call, every email, every video feed?

Surveillance is critically acclaimed author Reece Hirsch’s third book in the Chris Bruen series.

From reader reviews:

Brian Dunlap:

Reading a guide can be one of a lot of action that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new facts. When you read a publication you will get new information since book is one of many ways to share the information or even their idea. Second, reading a book will make you more imaginative. When you reading a book especially fictional book the author will bring one to imagine the story how the people do it anything. Third, it is possible to share your knowledge to other people. When you read this Surveillance (A Chris Bruen Novel), you could tells your family, friends in addition to soon about yours guide. Your knowledge can inspire others, make them reading a reserve.

Melissa Wilcox:

Do you have something that that suits you such as book? The guide lovers usually prefer to select book like comic, short story and the biggest some may be novel. Now, why not seeking Surveillance (A Chris Bruen Novel) that give your entertainment preference will be satisfied through reading this book. Reading behavior all over the world can be said as the way for people to know world much better then how they react towards the world. It can't be mentioned constantly that reading routine only for the geeky individual but for all of you who wants to end up being success person. So , for all of you who want to start reading as your good habit, you may pick Surveillance (A Chris Bruen Novel) become your current starter.

Eric Campanelli:

Your reading sixth sense will not betray a person, why because this Surveillance (A Chris Bruen Novel) e-book written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written within good manner for you, leaking every ideas and composing skill only for eliminate your own hunger then you still doubt Surveillance (A Chris Bruen Novel) as good book not only by the cover but also from the content. This is one reserve that can break don't evaluate book by its handle, so do you still needing another sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to another sixth sense.

Larry Hudgens:

What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher to their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person like reading or as reading become their hobby. You should know that reading is very important and book as to be the factor. Book is important thing to provide you knowledge, except your current teacher or lecturer. You find good news or update concerning something by book. Different categories of books that can you decide to try be your object. One of them are these claims Surveillance (A Chris Bruen Novel).
