The Moses Code Frequency Meditation James F. Twyman
In the appendix to the book *The Moses Code*, author and sound-healing pioneer Jonathan Goldman shares an amazing discovery he made while working with James Twyman. Now, for the first time, an ancient form of Kabbalistic numerology called Gemantria is being combined with the name of God that was given to Moses at the burning bush: I AM THAT I AM. These are frequencies that have never been made public before, and they unlock the power of the Moses Code in profound ways. The basis of this recording is the tuning forks Jonathan designed that correspond to the Gemantria of the Holy Name.

Two 20-minute versions of the meditation are being offered on this program. The first is for deep meditation, and the second (with guitar accompaniment) is for a more active meditation. Also on this program are seven James Twyman songs that were featured in *The Moses Code* movie, including "The One", which was written for the author's wife, Linda.
