Learn to speak in public without breaking a sweat!
The Public Speaking Playbook coaches students to prepare, practice, and present their public speeches to their highest level. With a focus on actively building skills, Authors Teri Kwal Gamble and Michael W. Gamble train students in the fundamentals of the public speaking process using frequent interactive exercises that allow students to practice—and improve—their public speaking. Students want to put their skills into practice quickly, so the **Playbook** gives them the essentials in brief learning modules that focus on skill-building through independent and collaborative learning activities. As students master their skills, they are also encouraged to think critically about what it means to "play fair" in your public speaking—with a focus on diversity, ethics, and civic engagement.

Speech Planner
SpeechPlanner is an interactive, web-based tool that guides you through the process of planning and preparing your speech, one step at a time. Featuring practical tips, strategies, and useful examples designed to explain and illustrate every stage of the speech-making process, this valuable planner makes it simple and easy to create highly effective, successful speeches anywhere, any time.
With its unique practice timer feature, **SpeechPlanner** allows you to pace your speech to ensure sustained focus on the core message as well as a balanced delivery. Additional audio and video examples of effective speeches; links to high quality web resources to use while researching and organizing your speech; thesaurus and spell-check features; as well as a feature that allows you to create both full sentence outlines and keyword outlines, make this a *must-have* tool for effective speech planning. So reach your audience—one successful speech at a time!
