If you love making art and handcrafted things at home and are ready to try clay sculpting, then this book is for you!

Read on your PC, Mac, smart phone, tablet, or Kindle device.

Sculpting and modelling with clay is a fun way to spend your spare time. Everyone can enjoy this activity, regardless of age. And the best part is that it doesn't cost much to get started. With a little creativity (and guidance from this book) you can find everything you need already in your home. This book is designed to help you get started working with clay in a simple, affordable, and fun way by first making small shapes and figures to get familiar with the material and gain practice. Because working with clay is such a relaxing and therapeutic hobby, most people who try it end up completely addicted. Once you come to love the medium, you'll find advice on what additional tools you'll need to invest in to complete projects that are slightly more challenging. You will also enjoy experimenting with clay extruders, armatures, and larger models. Don't worry if these terms are unfamiliar to you now. This book will cover all the basic terminology, concepts, and materials used, including the various types of clay to choose from. Let's get started!

Here Is A Preview Of What You'll Learn...

- The Different Types of Clay
- Getting to Know Your Clay
- Familiarizing Yourself with the Modelling Process
- Sculpting Tools Found Around the House
- Making a Simple Figure with Oil-Based Clay
- Advanced Clay Tools for More Complex Projects
- Much, much more!
