When young ambitious FBI agent Nikki Archer gets her first big break - a chance to hunt down the notorious New York gangsters, Eduardo and Carlos Pesci - she expects danger. What she doesn't expect is to meet the most beautiful man she's ever seen, billionaire sculptor Jon Selleck.
After a night of incredible sex with Jon, Nikki's dream turns into a nightmare, when she discovers that Jon has a dark secret. He is intimately involved with the New York criminal underworld and her case. Despite her best efforts Nikki is drawn into Jon's dark world. But if she wants to catch Eduardo and Carlos Pesci, she will have to decide between her passion for Jon and her career.
But Nikki also has a secret. Since childhood she's had an alter-ego, another personality that takes over her body. The doctors call it multiple personality disorder. All Nikki knows is that every so often she blacks out and wakes up days later, with hazy memories of rampant sex and all night parties. Her other self it turns out has very different tastes to Nikki. She likes her sex rough. She likes to be dominated and she's found the perfect man to do it.

Excerpt

We fell through the door, bodies pressed together, lips locked, mouths open in a frenzy of desire. Still kissing him, I yanked at his shirt, pulling it free from his pants and finding his skin underneath. I ran my shaking fingertips over the ridges of his smooth, hard abs and up to his chest and shuddered.
Then I kissed him harder, as if I wanted to consume him, and pressed my hand against his chest, feeling the fast, strong thud of his heart. Mine was racing and jack hammering like it wanted out of my body. I felt hot and cold at the same time. I was shaking so much I could hardly stand.
Then I didn't need to.
Still kissing me, Jon picked me up. I lifted my legs up and hooked them around his waist, feeling his biceps bunch as he held me. He leaned forward and whispered,
"I want you now."

Get ready for a thrilling, suspense filled, hot and erotic roller-coaster ride of a story.
This novella contains adult situations and content.
This book end with a cliffhanger.
