Kabbalah: The Power to Change Everything Yehuda Berg
From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility — in every facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion — has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.
