Much material is available on the internet and in print regarding college research, admission, and matriculation. The PRACTICAL GUIDE TO COLLEGE ADMISSION, however, is the sole tool that brings all of the pieces together and arranges them in a step by step process to allow the needs of the students to be equated effectively with the characteristics of over 3000 colleges and universities.This method of research allows the candidate to restrict applications to four or five schools that are the best matches. These realistic applications will result in multiple acceptances. From these the candidate can choose to matriculate at his/her best match. This method was developed and used by the author in one of the best school districts in the United States.
