Pride and Prejudice: Attending a Ball (Second Edition) (Darcy and Elizabeth) (Volume 1) Gianna Thomas
Pride and Prejudice: Attending a Ball **(SECOND EDITION) is a prequel to the novel *Pride and Prejudice: Darcy Chooses* in the Darcy and Elizabeth Series.**

The novel, a variation on Jane Austen's original, is scheduled for publication in the spring of 2014.

Why this prequel **SECOND EDITION**? I've had many comments from my readers and reviewers about the 'Austenesque' writing style I used in these prequels – some positive and some negative. Based on those comments, and advice from my Editor, I decided to 'modernize' my writing style. It is my hope that this 'crossover' will appeal to both Jane Austen fans and readers of a more modern style of Regency romance.

One of three prequels, this short story recounts the three days before the beginning of the novel from Elizabeth Bennet's perspective, and portrays the Bennets and Elizabeth's friends: Charlotte Lucas and Melanie Farrington. It also gives extra insight into each of the Bennet family members.

Here is a brief preview:

"Melanie, guess what?" "What, Lizzy? Tell me immediately what you want to do." "You know that my ball gown is two years old, and I need new fabric, lace and ribbons for a new one. So…I asked Papa if I could go to Town to shop at Uncle Gardiner's warehouse for some beautiful silk fabric for a new gown, and Papa said yes.
***
For a few minutes, silence reigned. Then, with an unnerving move for the passengers, the coach suddenly slid sideways, struck a large rock on the side of the road, tipped and began to roll sideways. Screaming horses, being dragged along, were heard as the coach continued its roll down an incline and eventually came to a stop. All was quiet in the coach.

About the other two prequels:

Pride and Prejudice: Darcy and Bingley recounts Darcy's and Bingley's first encounter, some of their history together and their current activities a few days before the start of the novel. It also answers the question of how these two disparate personalities could form such a strong friendship. The question that remains is 'will this friendship survive the events of the near future?'

Pride and Prejudice: Pemberley and Beyond looks at the history of Pemberley House, how Darcy is truly Master of Pemberley and what his vision is for the future of his beloved home. Will Elizabeth Bennet become Mistress of Pemberley or will Fitzwilliam Darcy have to look elsewhere?
