The Art of DreamWorks Animation: Celebrating 20 Years of Art Ramin Zahed, DreamWorks
Founded in 1994 by Steven Spielberg, Jeffrey Katzenberg, and David Geffen, DreamWorks Animation instantly became a world-renowned animation studio with blockbuster franchises including *Shrek*, *Madagascar*, and *Kung Fu Panda*. Though its earliest films, such as *The Prince of Egypt*, feature traditional hand-drawn cel animation, DreamWorks soon forayed into claymation with *Chicken Run* and *Wallace & Gromit*, and pioneered advanced computer animation with films such as *Antz*, *Shark Tale*, and *How to Train Your Dragon*.
Brimming with concept art, preproduction designs, and character sketches, DreamWorks Animation marks the studio's 20th anniversary and offers unprecedented behind-the-scenes access into its archives. An introduction by DreamWorks cofounder Katzenberg provides insider perspective on the studio's most popular films, as does running commentary from artists and directors on all of DreamWorks' 30 films to date.
